

**FISCAL MEMORANDUM**  
**HB 3865 – SB 3971**

March 24, 2008

**SUMMARY OF AMENDMENT (015056):** Requires the Department of Health to consider developing appropriate standards for the dissemination of information and educational material about conditions and diseases which commonly affect newborns.

**CORRECTED FISCAL IMPACT OF ORIGINAL BILL:**

Increase State Expenditures – Not Significant

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

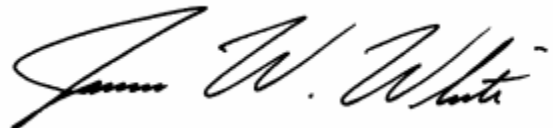

**Unchanged from the original fiscal note.**

Assumptions applied to amendment:

- The Department of Health will not incur a significant increase in expenditures to develop appropriate standards for the dissemination of information and educational material as required.
- Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.

**CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James W. White, Executive Director
